A glowing lantern sign hangs from a wooden building at night. The sign is illuminated from within, casting a warm light. The text on the sign is written in a stylized, hand-painted font. The word 'OSTARIA' is in large, red, serif letters. Below it, the word 'ai' is in a smaller, black, sans-serif font. Below 'ai', the words '4 FERI' are written in a black, sans-serif font. The lantern has a dark frame and a white interior. The background is dark, with the wooden structure of the building visible. The overall atmosphere is cozy and rustic.
